This is a special ground floor apartment. It is very bright and light and feels very spacious. It has a bathroom and a shower room. Two good size double bedrooms. There is a separate dining area that flows into the living area. There is a cozy kitchenette that could easily be opened up to make it more spacious. There is a small south facing covered terrace that leads out into the community garden. Because it is a corner apartment it feels like your own private garden. Plenty of outdoor space. The community has a lovely pool area. This is truly a little gem.
