UNIQUE OPPORTUNITY: Golf-front apartment just 350 meters from the beach in Río Real. Our client recently acquired this fantastic apartment through a public auction, but now needs to resell quickly – making this a rare chance you don't want to miss! Located on the second floor, the apartment offers 3 bedrooms and 2 bathrooms, a fully fitted independent kitchen with laundry room, and a spacious living-dining area that opens onto a large terrace with views of the community pool, Río Real Golf Course, and the sea. The property is finished to a high standard, including hot & cold air-conditioning throughout, luxury marble floors, and double-glazed PVC windows with shutters. A private underground parking space and storage room are also included. Although the complex currently looks a little neglected – as many units previously belonged to investment funds and banks – these have now been sold, and the community is in the process of being repaired and properly maintained. Apartments of this size, in such a prime location so close to the sea, at this price, rarely come to market. Don't miss out – contact us today to arrange a viewing!
