Luxury and ostentation in true Marbella style, is undoubtedly one of the most desirable homes in the area, proof of this is that José Banús, promoter of the Nueva Andalucía urbanization, chose this Villa to enjoy the residential area that he had designed. Characterized by the great natural light that the entire Villa has, a large and beautiful double height hall welcomes us to this family property. The high quality and the wide range of artistic elements in the decoration are palpable throughout the property. Its 1500 square meters built with its meters of plot between which is a huge outdoor saltwater pool, make this the ideal location to enjoy one of the best residential areas in Europe. The upper part of the Villa, has nothing to envy to the first floor of this property. It houses the most private rooms of the house, including the master bedroom suite, plus five other bedrooms.
